DAY 01 KUALA LUMPUR - SHENYANG (Meals on Board)

Assemble at Kuala Lumpur International Airport for your flight to Shenyang.
Hotel: Shenyang Oriental Ginza International Hotel or Similar*

DAY 02 SHENYANG - JILIN (Breakfast / Lunch / Dinner)

Upon arrival, head to the winter shop to supplement your clothing and footwear. After lunch, we will visit the **Shenyang Imperial Palace Museum**, which is one of the two most complete ancient palace complexes in China. It is a historical site that contains a rich cultural heritage. We will then continue to explore **Manchu Yitiao Street**, where most buildings are constructed in the architectural style of the Qing Dynasty.

Hotel: Ramada Hotel Jilin Purple Garden or Similar*

Note: The Shenyang Imperial Palace Museum will be closed on Monday. If closed, it will be replaced by Beiling Park (includes the Ming Tombs).

DAY 03 JILIN - DUNHUA (Breakfast / Lunch / Dinner)

Today, we will head to **Ashihada Wusong Corridor** in Jilin to witness the spectacle of the rime ice (subject to weather conditions). Rime ice, commonly known as "tree hanging", is a rare natural phenomenon that occurs when supercooled water vapor in the air condenses on surfaces due to extreme cold temperatures. It creates a stunning and ethereal landscape. Later, we will pass by the exterior of the **Sacred Heart of Jesus Cathedral**.

Hotel: Dunhua Jinghua Zunxiang Hotel or Similar*

DAY 04 DUNHUA - SNOW VILLAGE (Breakfast / Lunch / Dinner)

After enjoying breakfast, head to **China Snow Village**. Snow Village is a fairytale-like place where the snow is natural and pristine. Snow piles up on both sides of the street, and with small snow-capped houses decorating the area, the snow village is a perfect filming site. **Dreamland at Snow Village**, a signature attraction in Snow Village. Dreamland is an essence of the snow township located there, with several Dong Xue Xiang typical houses. However, because of the path built along the cliff, visitors cannot undermine the snow on the road, and can climb the hillside to overlook the whole picture of the snow township. Tonight, we will stay at **Snow Village traditional home stay**, and experience a traditional Chinese bed named "Kang" 火炕.

Hotel: Xueyun'ge Hotel Traditional Home Stay or Similar*

Note: The shuttle buses within the China Snow Village do not have luggage compartments. Guests are advised to only bring handV carry bags and spare clothing. Large luggage can be stored inside the tourist bus.

DAY 05 SNOW VILLAGE - YABULI (Breakfast / Lunch / Dinner)

After breakfast, explore **China Snow Village**, a fairy-tale-like place. You might consider heading to the highest peak of Yangcao Mountain (at your own expense) with an altitude of 1686.9m. Here, you will see Yangcao Mountain, the highest peak in the northern region, the densest forest, the most pure sunshine, and the humble lifestyle of the loggers.

Hotel: Yabuli Yaxue Holiday Hotel or Similar*

Note: If facing uncontrollable factors, one night's accommodation in Yabuli will be replaced by Mudajiang Holiday Inn or similar.

DAY 06 YABULI - HARBIN (Breakfast / Lunch / Dinner)

After breakfast, we will take a car to visit the famous **Yabuli Panda House**, where we will encounter China's national treasure - the giant pandas. They are incredibly playful and adorable, often seen hanging upside down from tree branches or frolicking together in groups. Their various poses and behaviors will provide ample opportunities for you to capture their exciting moments with your camera. Afterward, we will return to Harbin.

Hotel: Harbin Songbei Holiday Inn Express or Similar*

DAY 07 HARBIN (Breakfast / Lunch / Dinner)

After breakfast, explore the ice city Harbin, then visit **Saint Sophia Cathedral**, one of the landmarks of Harbin. Next, visit **Central Street** (*each person will receive a famous **Modern Ice Lolly**). Thereafter, visit the **Harbin Exhibition Hall of Arts and Crafts of Ice and Snow (Indoor)**. The various ice sculptures inside are exquisitely shaped, showcasing the ice and snow characteristics of Harbin. Not only are they entertaining and visually appealing, but they also carry a high artistic value.

Hotel: Harbin Songbei Holiday Inn Express or Similar*

15 Dec Onwards Departure

Harbin Exhibition Hall of Arts and Crafts of Ice and Snow (Indoor) will change to **Sun Island International Snow Sculpture Art Expo**: One of the hottest attractions of Harbin tour, also known as "The World's Largest Ice and Snow Carnival".

Additional visit to the **Harbin Ice and Snow World (Outdoor)**: It is the largest in the world in terms of scale, featuring the most extensive ice and snow art landscapes, the widest range of ice and snow entertainment projects, and the most stunning nighttime scenery.

DAY 08 HARBIN - KUALA LUMPUR (Breakfast / Meals on Board)

Today, free at leisure and after which transfer to the airport for your flight back to Malaysia.
